

AI Prompts for Retirement Community Residents

July 02, 2026

Prompt: List a set of prompts for topics that retirement community residents would find interesting

Memory & Life Story

- Help me write down my memories of growing up in [decade/place]. Ask me questions one at a time to help me remember details.
- I want to write a letter to my grandchildren about what life was like before smartphones. Help me get started.
- Turn these rough notes about my career into a short, polished story I can share with my family.

Everyday Practical Help

- Explain my Medicare Part D drug coverage in plain English, no jargon.
- Write a polite letter to my insurance company appealing a denied claim.
- I'm trying to remember the name of a movie from the 1960s starring an actor with a mustache who played a detective — help me figure out what it might be.
- Explain this doctor's note to me in simple terms.

Health & Wellness

- Suggest a simple 15-minute chair exercise routine for someone with knee arthritis.
- Give me 5 low-sodium dinner ideas that don't taste bland.
- Explain why I should or shouldn't take my blood pressure medicine with grapefruit juice. (Always verify medical answers with your doctor.)

Connection & Communication

- Help me write a birthday card message for my great-granddaughter turning 8.
- I haven't spoken to my nephew in years — help me write a warm, non-awkward first text to reconnect.
- Draft a toast for my 50th wedding anniversary.

Hobbies & Curiosity

- I love birdwatching — tell me about 3 birds I might see in Illinois in July.
- Explain the rules of pickleball like I've never played any racquet sport.
- I used to play bridge — remind me of the basic bidding rules.
- Recommend a mystery novel similar to Agatha Christie but published more recently.

History & Nostalgia

- What was happening in the news the week I was born — March 1948?
- Explain what a typical grocery bill looked like in 1965 compared to today.
- Tell me 3 interesting facts about the town of [their hometown] in the 1950s.

Tech Confidence-Building

- Explain what a podcast is, like I've never used a smartphone app before.
- Walk me through, step by step, how to video call my daughter on this iPad.
- What does 'the cloud' actually mean? Explain it with an analogy.

Light Fun & Social Activities

- Write 10 trivia questions about the 1970s for game night with my friends.
- Give me a fun icebreaker question to ask at dinner tonight.
- Write a short, funny poem about forgetting where I put my glasses — again.

Suggested use: Open with Memory & Life Story prompts to build emotional buy-in, move into Practical Help to demonstrate real value, use Hobbies/History as the fun middle section, and close with a Tech Confidence prompt live on screen so residents leave feeling capable, not intimidated.
