Your exact ballot depends on your precinct, but here's what Champaign-Urbana voters will see on Nov 3.

- **Governor:** Democrat JB Pritzker (running for a third term) vs. Republican Darren Bailey. Running mates: Christian Mitchell (D) and Aaron Del Mar (R), Cook County Republican Chairman.
- **U.S. Senate (open seat, Durbin retiring):** Lt. Gov. Juliana Stratton (D) vs. former Illinois Republican Party chair Don Tracy (R).
- **Attorney General:** incumbent Kwame Raoul (D) vs. former Chicago Alderman Bob Fioretti (R).
- **Secretary of State:** incumbent Alexi Giannoulias (D) vs. Diane Harris (R), a Joliet Junior College trustee.
- **Comptroller (open):** State Rep. Margaret Croke (D) vs. Bryan Drew (R).

State House (depends on your district)

From the county clerk's candidate list:

- **101st:** Chris G. Miller (R) vs. Douglas Fagan (D)
- **102nd:** Adam M. Niemerg (R)
- **103rd** (most of central C-U and campus): Carol Ammons (D); Keith Cameron Smith also listed
- **104th:** Brandun Schweizer (R) vs. Mary Catherine Roberson (D)
- Some voters will also see the 51st Legislative District with Chapin Rose (R).

Champaign County

- **County Clerk:** Alan Anderson (R) vs. Aaron Ammons (D)
- **Sheriff:** Gregory A. Worrell (R) vs. Dustin D. Heuerman (D)
- **County Executive:** Michelle Jett (D), with no Republican opponent
- **Treasurer:** Byron Clark (D)
- **Regional Superintendent of Schools:** Jon Kelly, unopposed
- Plus county board seats in some districts, judicial retention votes, and possibly local referenda.

Worth knowing

In July 2026, Rep. Carol Ammons and her husband, County Clerk Aaron Ammons, were indicted by a federal grand jury on charges including wire fraud and conspiracy to obstruct justice. This fall the clerk's office also sent hundreds of ballots with mislabeled General Assembly districts, which the clerk blamed on its ballot vendor. In some cases the 101st race appeared where the 103rd belonged, or the 104th where the 102nd belonged. **If you vote by mail, check that the House district on your ballot matches your address.**
